Sir,

With reference to your letter No. 2132-4/L.B. 32-15-13 dated the 25th September 1916 requesting that necessary steps may be taken for the levy of the Railway Cess in the District for the Chickmagalur Belur Hassan Railway lines &c, I have the honour to state that when the Subject was discussed before the District Board at their Meeting held on the 18th December 1916 the following resolutions were passed on the Subject.

Mr. C. Lake on behalf of the South Mysore Planter's Association, protests against the opening of the proposed Railway line on the ground that the traffic on this side is poor, that it will be advantageous to take up

up the line from Hassan to Sakleshpur and on to Chickmagalur Via Muoigere as it will open up the Malnad and eventually facilitate the opening of an outlet to the West Coast which the Government have in view. Several members support Mr. Lake's opinion and the opinion was divided on the question of the line. Mr. Thammaiya and a few others preferring the proposed line Via Belur. In the meanwhile the Board — think that the Government be requested to favour the Board with the probable cost of the line Via Sakleshpur and Muoigere. As regards the finance the mere levy of halfanna Cess will not even cover the interest payable on the loan and so the Board consider that it will be better to levy one anna Cess. On this point the opinion of the Taluk Board will be called for before sending a reply to Government. A Copy of the resolution passed in the matter is herewith submitted.

2. I request therefore that you will be so good as to favour me with particulars as to the probable cost of opening the — Railway line from Hassan to Sakleshpur and on to Chickmagalur Via Muoigere as proposed by Mr. Lake.

3. As

(10)

As the Chickmagalur District will also contribute towards the interest payable on half of the cost of the project, the resolution of this Board that the levy of half anna cess will not even cover the interest payable on the loan cannot be said to be correct. This is not correct
